

Understanding the Charge Account

Take Your Galaxy Mastery to the Next Level

The charge account is a vital part of the operation of Galaxy's Order Entry module. But as important as it is, the charge account is also commonly misunderstood. **Understanding the Charge Account** online training will give your group sales managers, system administrators, and finance personnel insight into the concepts behind the Order Entry charge account.

In addition to learning the basic concepts of the charge account, trainees will also learn the required and best practice settings for the charge account, as well as how to account for the value assigned to the charge account in your income statement using the Credit Activity report.

This course is offered online using Microsoft Live Meeting and Skype VOIP audio service. To take full advantage of this training session, customers should use a broadband internet connection with connected microphone and speakers.

Location: Online · Duration: 1 hour · Tuition: \$100

Note: A minimum of three registrants is required to hold this class.

Prerequisites: Basic working knowledge of Galaxy and the Order Entry module.
