

The Galaxy[®] Interface to The Raiser's Edge[®] Training

Take Your Galaxy Mastery to the Next Level

Congratulations! You have combined two powerful and robust systems, Galaxy and The Raiser's Edge. Now you need to understand the details of how these two systems are integrated, what data is synchronized, and what you need to do in order to maintain this new, integrated environment. This is exactly what The Galaxy Interface to The Raiser's Edge (RE Console) is designed to deliver.

In this course you will learn:

- The history of the Galaxy Interface to The Raiser's Edge
- How RE Console works
- What data is shared between Galaxy and The Raiser's Edge
- How to perform common tasks such as auditing your system, adding new memberships to be used in both systems, adding new campaigns, and more!

Location: Online * Duration: 3 hours * Tuition: \$300

Note: A minimum of three registrants is required to hold this class.

Prerequisites:

- System Administrator Essentials or equivalent knowledge of basic Galaxy concepts and membership
- A working knowledge of The Raiser's Edge
