

Galaxy Kiosk

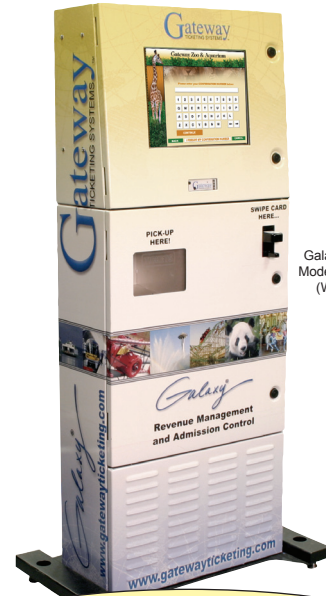

Increase Your Revenue without Increasing Your Overhead

Galaxy Indoor Pedestal Kiosk
Model Number 102-019

Guided Transaction Flow
Guide customers through kiosk transactions with custom graphics and sounds. Recommend additional tickets to purchase with up-sell capabilities.

Galaxy Outdoor Kiosk
Model Number 102-015
(Wrap is optional)

Durable and Sleek Kiosk Hardware
Choose from a variety of industry standard kiosks that suit your particular environment, or add a customized wrap with your graphics.

Galaxy Kiosk provides an additional way to earn revenue at local or remote locations. Guests can learn more about your venue while purchasing tickets for admission or fulfilling Web or will call orders. Galaxy Kiosk purchases are quick and effective without adding employee overhead.

With Galaxy Kiosk you can:

- **Increase Your Revenue and Your Exposure**
Advertise your venue and sell tickets and memberships at local or remote locations. Choose from a variety of durable, industry standard kiosks that can be customized with your graphics, and that suit a particular physical environment.
- **Guide Customers Through Kiosk Transactions**
Custom graphics and sounds take customers step-by-step through the transaction flow. Recommend additional tickets to purchase with up-sell capabilities.
- **Provide Quick Purchase and Order Pick Up**
Select tickets from user-defined categories. Pick up orders created online with the eGalaxy Web Store or by the reservation will call center.
- **Print Tickets and Receipts Immediately**
Print tickets and receipts directly from the Kiosk. Thermal ticket designs can be the same as those purchased at the front gate.
- **Confirm Order Details in the Purchasing Process**
Enhance your customers' purchasing process by confirming order details prior to completing the transaction. Kiosk screens are designed to enable guests to move forward and back in the transaction flow in order to make changes.

Quick Purchase and Order Pickup

Select tickets from user-defined categories. Pick up orders created online with the eGalaxy Web Store or by the reservation will call center.

Tickets and Receipts Print Immediately
