

Ticket Stock

Make a Lasting Impression with Top Quality Ticket Stock

Gateway's Ticket Stock Solution provides the highest quality ticket stock available, offered to our customers at competitive prices with guaranteed results. Ticket design and quality are an integral part of brand identity. We take branding into consideration in our ticket stock purchasing process, as well as factors like physical environment and operational needs.

With Gateway's Ticket Stock Solution you can:

- **Leave a Lasting Impression on Guests**

The finest thermal ticket stock and plastic ID cards make an impression and help support your marketing efforts. Design to match your brand image. Use the back of tickets to address usage rules or advertise for marketing partners.

- **Benefit from Our Industry Experience and High Quality Materials**

Gateway provides the best stock at competitive prices for guaranteed results. Our ticket stock consultation takes into consideration your environment, branding, and operational needs. We even guarantee the print heads when you purchase our ticket stock.

- **Get Exactly What You Need with Experienced, Quality Stock Consultation**

Gateway possesses a thorough knowledge of best practices in ticket design for effective bar-coding, printing, and usability. Our educated consultants have years of experience in the industry.

- **Print Tickets On a Variety of Media**

Using Galaxy Supported Printers, you can print tickets on thermal ticket stock, including paper and plastic-paper composite. For ID passes, we offer plastic card stock. Our cards are magnetic encodable, and we provide wristband solutions as well.
